FIS YEAR END GRADUATION CEREMONY 2024

Congratulations to the graduating classes of Furen International School on successfully completing their high school education, a significant milestone in their life journey.

The graduation ceremony is scheduled to take place on October 12th. Let us celebrate this grand occasion together and wish our graduates the very best as they prepare for their A level-exams.

02

FIS UPCOMING IELTS EXAM

This year, the IELTS paper-based tests are scheduled for September 12th and 14th. We wish all our students the very best of luck and hope they achieve the necessary scores for university entry and graduation from FIS. The English Language team of David, Kila and Samie stand ready to help students in the lead up to the test.

For further information on the IELTS exam, please contact the Student Services Office.

UNIVERSITY FAIR AT FIS 28/9

On September 28, Furen International School is hosting its first of two rounds of university fairs. Participating universities include the National University of Singapore, Nanyang Technological University, King's College London, Imperial College London, and Ritsumeikan University.

Representatives from these esteemed institutions will share their latest admission information with our students, helping them make more informed decisions about their universities of choice.

To gain a better understanding of their universities of interest, students are advised to research each institution beforehand and prepare questions to address any concerns or doubts they may have.

CHEMISTRY LAB ACTIVITY: PIGMENT EXTRACTION

Recently, the foundation class students at Furen International School (FIS) participated in a hands-on Chemistry lab activity focused on Pigment Extraction.

The day began with an energizing morning workout as students ventured outdoors to collect flowers and plant specimens from the areas surrounding the school. After gathering their samples, students returned to the lab, where teachers guided them through the scientific principles behind plant pigments.

They learned about the chemical processes responsible for the vibrant colours in plants and explored the methods used to extract these pigments in a controlled lab environment. The experiment was a success, enhancing their understanding and fostering a deeper appreciation of the connection between chemistry and nature.

FIS NATIONAL DAY CELEBRATION

To commemorate Singapore's National Day, Furen International School hosted a celebration ceremony on August 8th, the eve of the holiday, welcoming two public welfare organizations — Beyond Social Services and Helping Joy. They participated in reciting the national pledge in all four official languages: English, Chinese, Malay, and Tamil.

The ceremony also featured a charity sale organized by Beyond Social Services, giving students and staff at FIS the opportunity to support a meaningful cause.
