

“

Life is like a fable: it's not the length,
but the excellence of life.

- Seneca

during these months!

NEW UPDATES OF THE MONTH

01

CIE A LEVEL EXAMINATIONS IN PROGRESS

The CIE A Level examinations have begun. The first exam date is on September 30th, and the final paper will be on November 14th, marking an intensive journey of one and a half months. The hard work and preparation of FIS students over the past two years have led to this important day. We encourage students to take care of their health during this period, ensuring they are in the best shape to face this significant moment in their lives.

02

UNIVERSITY FAIR AT FIS 12/10

On October 12th, FIS is hosting its second round of university fairs, which will also be the last one for the year. Participating universities include Curtin Singapore, the University of East Anglia, James Cook University Singapore, Macao Polytechnic University, and Hong Kong Chu Hai College.

Representatives from these esteemed institutions will share their latest admission information with our students, helping them to make informed decisions about their universities of choice.

To gain a better understanding of how to choose the best universities, students are advised to research each institution beforehand and prepare questions to address any concerns or doubts they may have.

03

REGISTRATION FOR THE HONGKONG EDUCATIONAL TOUR IS OPEN!

FIS is excited to announce an educational tour to Hong Kong from December 1st to 7th, designed for students eager to explore the region's top universities.

This immersive experience will include visits to The University of Hong Kong, The Chinese University of Hong Kong, and The Hong Kong University of Science and Technology.

Interested students are welcome to join; registration will close on October 31st.

HIGHLIGHTS OF SEPTEMBER

CONGRATULATIONS TO LI JIAYING ON RECEIVING AN ADMISSION OFFER FROM THE UNIVERSITY OF MANCHESTER

Li Jiaying has been offered a place by the University of Manchester, on their BSc Education program. Manchester is ranked 34th in the QS World University Rankings for 2025. UoM boasts a rich history of groundbreaking discoveries, from Ernest Rutherford's splitting the atom to the development of the first stored-program computer by Freddie Williams and Tom Kilburn.

Who knows—Li Jiaying might be the next star to make history! Regardless of what the future holds, FIS wishes her all the best and much success!

COMPLETION OF ROUND 1 OF THE FIS UNIVERSITY FAIR

The first round of the FIS University Fair has concluded successfully! We believe that participating students gained valuable insights into various universities and programs, helping them find direction in their academic journeys.

For those still uncertain and looking to explore more options, the second round of the FIS University Fair will take place in October, offering a wider range of universities to discover.

Stay tuned for more information!

INTERNATIONAL CHEMISTRY QUIZ 2024 RESULTS RELEASED

This year marks the school's first participation in the international chemistry quiz organized by Royal Australian Chemical Institute. For first-timers, our students performed admirably, with 19 out of 37 participants receiving certificates of credit, distinction, or high distinction.

FIS is incredibly proud of their achievements and hopes that this shared experience will inspire more chemistry enthusiasts to participate in the future, stepping out of their comfort zones.

MID-AUTUMN FESTIVAL CELEBRATION

On September 13th, FIS celebrated the Mid-Autumn Festival at Black Box, where our talented Music and Dance Club students delivered captivating performances in honour of this festive occasion.

They treated the school to live performances of popular songs like "Someone Like You" by Adele and "Yellow" by Coldplay, as well as a lively K-pop dance to "Sheesh" by Baby Monster. It was a memorable celebration filled with music and culture!

#AtFIS

TEACHER'S DAY CELEBRATION

On September 6th, FIS teachers gathered for a lunch and team bonding session to celebrate Teacher's Day. The bonding activity involved guessing the hometowns of their colleagues, which aimed to foster understanding and appreciation of the diverse backgrounds and cultures within the team.

This engaging experience not only strengthened their connections but also showcased the unique stories each teacher brings to the school community, making the celebration even more meaningful.
